

Library Media Center Mission:

The mission of the Jefferson City High School Library Media Program is to encourage a love of reading and libraries in each student through collaborating with all stakeholders, curating a diverse collection, and teaching the effective use of information.

Reading is important, because if you can read, you can learn anything about everything and everything about anything. —Tomie dePaola

Library Media Center Vision:

The vision of the Jefferson City High School Library Media Program is to empower students to learn and utilize technology and 21st century skills by incorporating collaboration, communication, creativity, critical thinking, and global citizenship. Jaybirds are vibrant, informed, cohesive, and empowered participants in our global society.

"Today a reader, tomorrow a leader." — Margaret Fuller'
