Hour 6	1:53 - 2:44	Business Math
Hour 7	2:49 - 3:40	PLAN

WELCOME TO CCHS!

I am so excited to start the new school year and meet my new students. This year I am teaching Business Math and Geometry. Capital City High School welcomes you, and we are thrilled to have you join our family. You are an important part of an extraordinary team here at CCHS, and we are truly better together. Let's have another great year!
Go, Cavaliers, Go!

Meet the Phoenix Family

My wife, Lindsey, and I have been married 7 years. Our daughter, Brynn, will be in first grade at Pioneer Trail. Our son, Tate, will be in the PreK program at Southwest. We have had a lot of quality time together this summer hanging at the house, going on trips, playing golf and taking it easy. Getting back into the school routine may be a little challenging at first, but we are all excited to get going!

I played a fair amount of golf this summer, but I also got several projects done around the house that may or may not have been a goal for LAST summer.
