Plan Time: 12:55 – 1:45

Did you Know.....

During our read-aloud (Knowledge) time each day we have been reading and learning about the Human Body. We have been introduced to a network of body systems, comprised of organs that, together, perform important jobs for each one of us. We've read about our skeletal, muscular, digestive, circulatory and nervous systems.

Can your child explain, identify and recall basic facts about:
(Vocabulary we have used in class)

Our skeleton, skull and spine?

What do muscles do?

Where/what is our esophagus?

What is the purpose of our heart?

What is a pulse?

We've been busy exploring our new Math curriculum: Eureka Math Squared. We are working in Module 1: counting, comparing and addition.

Through this module we'll be exploring 3 different strategy levels to count, add and subtract. After exploration and learning students will be encouraged to use the strategy that best suites them in solving for an answer.

Level 1: Direct modeling by counting all or taking away.

Level 2: Counting on

Level 3: Convert to an easier equivalent problem,

AMP Rotation

9/23 – 9/27
