

Team Marvel Open House

2020-2021

Riker Hale- Social Studies

I am the sixth grade social studies teacher for team Marvel. This is my first year teaching at Thomas Jefferson. I have worked with this age group for several years as a coach and as a substitute teacher.

I earned my Bachelor's degree in history from Columbia College in 2016. I am currently working towards my Masters in teaching at Columbia College.

Room - 603

Taylor Beamer- Reading

Welcome to Team Marvel! I am so delighted to have you as part of the Thomas Jefferson family and to share in your son/daughter's education! I began teaching at Thomas Jefferson Middle School in the fall of 2015.

I graduated from the University of Missouri in my hometown of Columbia with a degree in Elementary Education. In 2015, I graduated with my Masters in Learning, Teaching and Curriculum with an emphasis in English Education as part of the MU Fellows Program.

Jenni Roling - Math

Welcome! I am excited to be teaching Math this year on Team Marvel! I began teaching at Thomas Jefferson Middle School in the fall of 2015. I graduated from the University of Central Missouri in Warrensburg with a degree in Elementary Education with an emphasis in Middle School Math. I look forward to teaching and growing this year with your children!

Room - 615

jenni.roling@jcschools.us

Amber Johnson - Science

I love science and I hope to inspire the same passion in every student! I have a Bachelors Degree from Missouri State University, majoring in animal science and minoring in chemistry. I have worked in a lot of different science based fields. This has included working with the Greene County Medical Examiner, the Dickerson Park Zoo, and multiple veterinary clinics. I have been at Thomas Jefferson Middle School since 2017.

Jason Remiund- Writing

I was raised in Jefferson City and graduated from JCHS in 1992. I received my Bachelor of Arts in English from Columbia College in 2013, and I earned my Master of Fine Arts in Writing from Lindenwood University in 2016. This will be my second year teaching at Thomas Jefferson Middle School, but I served as a paraprofessional in 2018-19. I'm excited to start the school year.

Room- 600

Carrie Brauner- Special Education

I am the sixth grade Learning Specialist for team Marvel! I began teaching at Thomas Jefferson Middle School in the fall of 2015 and I am looking forward to working with great students, and providing a positive learning environment for them.

I earned a Bachelors of Science degree in Elementary Education (1-6) and Special Education (K-12) from Lincoln University. I am also currently pursuing my Masters Degree in Guidance and Counseling for Secondary Education through Lincoln University.

Room 604

Cell Phone Policy

It is strongly recommended that students and parents carefully weigh the choice of whether or not to bring personal cell phones, music players, cameras, and other electronic devices to school. These items can be disruptive to the learning environment, often create discipline problems, and are frequently damaged, lost, or stolen. Parents are reminded that in case of an emergency, the main office is the appropriate point of contact to ensure that your child is quickly reached and assisted. If students do bring cell phones and/or other electronic devices to school, they will need to be **turned off during the school day and stored in their backpacks** or assigned lockers. Students who bring cell phones or other devices to school are responsible for the safety and security of those devices. Headphones or earbuds will need to be stored securely and should not be worn during school unless the teacher has approved an activity that requires listening on chrome books or school provided media. The school accepts no responsibility for cell phones or other electronic devices that are lost, damaged, or stolen at school or while traveling to and from school. Cell phones and personal electronic devices will not be used during any part of the school day, therefore, should not be visible during the school day.
