October 5, 2018

At West Elementary School, we provide students with "I can" statements to set a purpose for our learning each day. Our learning goals for this week are...

Reading:

- *I can state the theme of a text.
- * I can provide text evidence for the theme.

Math:

- *I can multiply 3's, and 6's.
- * I can use the distributive property to multiply numbers.

WE WILL BE STARTING TO MEMORIZE MULTIPLICATION FACTS - FLASH CARD PRACTICE AT HOME WOULD BE GREAT!

Writer's Workshop:

- * I can write a paragraph.
- * I can give and receive ideas on writing.
- * I can use capitalization, punctuation, and good spelling strategies to make my writing easier to read.

Spelling: *I can spell these Unit 7 words:

Feet land side without boy

We will test over these words on Friday, October 12th. Although we practice here at school, home practice with these words is also very beneficial.

Reading homework coming home today is due on Monday. Math homework should be done nightly. Reading and spelling practice at home are also daily expectations.
