## Mrs. Eiken's Class

### February 21, 2020

At West Elementary School, we provide students with "I can" statements to set a purpose for our learning each day. Our learning goals for this week are...

#### Literacy:

- \*I can express my opinion of read alouds and my independent reading.
- \*I can use academic vocabulary when speaking.
- \*I can explain what the author is trying to persuade the reader to think or do.

#### Math:

We will be testing on Area and Perimeter this week. Watch for a study guide to come home. We will be doing our first computer math test, transferring our work from our note paper to our answer key on the chromes.

#### Writer's Workshop:

- \*I can express my opinion of read alouds in my independent writing.
- \*I can state my opinion.
- \* I can develop a draft from my prewriting.
