

# Meet Mrs. Berendzen

## About Me

Hi there! My name is Mrs. Berendzen. Some of you may remember me as Ms. Boeckman- I recently got married in July! I was born and raised in Jefferson City so I feel very blessed to get the chance to serve the children in my community. I received my Bachelor's degree in Elementary Education with an emphasis in Special Education from Lincoln University. I am looking forward to a wonderful school year!

## Contact Information

### Email:

Whitney.berendzen  
@jcschools.us

### School phone number:

573-659-3180

### Plan Time: 9:50-10:40

## Behavior Management

Students are expected to come to school with the purpose of learning in mind. Just as you and I as adults have jobs to provide for ourselves and our families, our "daily job" as a student is to improve our skills in reading, writing, and math.

We also learn and practice good character, how to act in social environments, and more about the world around us.

Each night a **communication log** will go home in your students take home folder- please sign and return each day.

## Favorites

### Color:

Gray/mint blue

### Food: Tacos
