

Classroom Newsletter

Ms. Graves ~ March 4th - 8th

CLASSROOM NEWS

ELA: We wrapped up our Reformation unit this last week and I got to watch some great student presentations on Friday. This week, we will begin our unit over Native Americans.

Math: Students will begin their focus on dividing decimals this week. We will start with dividing a decimal by a whole number.

Science: For this week in science, students be focusing on animals, animal cells, and cellular respiration. They will start the week with a fun experiment to show how cellular respiration works!

TO-DO

- ✓ RSVP for 4th and 5th Grade Donut Day!
- ✓ This week is JC Reads Week! I'll send out reminders for what each spirit day is! Check out the schedule connected to this newsletter!

REMINDERS

- ✓ Parent-Teacher Conferences are coming up this month. If you are wanting to schedule a conference, please let me know through Remind or email. This is not a required conference.
